

## MANAGER'S MINUTE

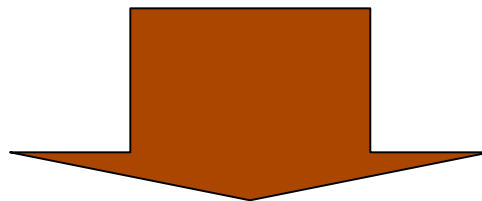

Happy New Year to all! Our students started the week sharing many adventures and stories about their vacations but they were happy to be back. Our well rested staff had them writing, reading, and exercising immediately. Kjerstin sent students back to class from PE exhausted and moaning, "I think I sat around too much last week." We're off to a busy week with the WWU Dancemakers here for class workshops today and then back tomorrow, Friday, Jan. 11<sup>th</sup>. They will present an assembly for all students and families at 1:30 p.m. Please join us if you can.

Our cooking enrichment with Laura Plaut continues beginning on Thursday, January 24<sup>th</sup>. More information will be coming soon.

Stop by and see the new office display focusing on Asia. Thanks to Katelyn Carlton and Julie Hunter for their additions to the many items.
