## Update on Emergency Packs

As you know each of our students is required to have an emergency pack. A group of parents have gone through the stored packs at the school and there were many missing, outdated food, and most were incomplete. To truly prepare for an emergency, it was decided that ordering a full Emergency Pack for each child was needed. These packs have been ordered by the PTO. Therefore, for each child, families will need to send in \$5.00 ( check is fine: make out to Beach School PTO) by October 8. Although we all don't want to think that a real emergency could actually happen, we want to know we are prepared for our kids if so. Thanks!
