MANAGER'S MINUTE

Our first day back was amazing...no bus and every student was on time. At day's end all students walked, rode their bikes, or were picked up in an orderly fashion. WOW! Thank you parents and families for being so organized. Beach is very fortunate to have a community that believes in education. We are here as a K-6 school because of you.

This is a Young Artists and Authors year with extra science focusing on insects. So get ready for professionals to visit and inspire us and maybe even scare us with exotic insects.

The legislature has mandated changes in food distribution in all schools because of food allergies plus snacks not falling into the district's nutritional policy. You will receive more information but the most drastic change is no more home-made cakes, cookies, and cupcakes for birthdays. You can help us by thinking of fruit and veggie treats presented cleverly. There's more to come on this subject.

Next Wednesday, September 9th at 6:45 p.m. is our first PTO meeting of the year. Childcare is available. Meet the new officers and volunteer for a school event. I hope to see you there!

HAGGEN'S
SCHOOL BUCK
PROGRAM

We have three new kindergarteners: Carter Buford, Keenan Kinkade, and Sonny Perry. Beach also welcomes Shelby McLain (2st), Eli McLain (4rd), Noah Ohumukini (1st), Solomon Dixon (1st), Sophia Geist (2nd), and Matthew Venema (5th). Our school now has a total of 55 students for the 2009 – 2010 school year. And we have three and a half sets of twins!

OLD AND NEW FACES RETURN TO BEACH!!

BUGS...BUGS...BUGS...BUGS...BUGS...

Who said the office can't be a fun place to visit. So this year we are focusing on BUGS. There will be a bug trivia question and a riddle each week as well as the office bulletin board will focus on a different insect. We will also have a large bug contest and a veggie bug sculpture contest. Look for more details to follow. Please stop by and enjoy our creepy crawlies.

Emergency packs will be turned over to the PTO to store and update for this year. Please try to get yours back as soon as possible.

STUDENT ACCIDENT INSURANCE

A student accident insurance brochure is being sent home next week with your son or daughter. This brochure provides information about student accident insurance for voluntary purchase. Please review this information carefully to decide whether you need this medical insurance coverage for school related injuries. Please understand that the Ferndale School District does not provide accident/medical insurance for students for school related injuries. Should you have any question about student accident insurance, please feel free to call Mark Deebach, Executive Director for Business and Support Services, at 383-9203.
