

## Custer Elementary School – Make it happen

### Custer Elementary School School Supply Lists 2009-10

Parents are asked to furnish the following school supplies for their children. Most school supplies may be purchased at the school store. If your child's teacher requires any other particular items, you will be notified the first week of school. These supplies become the property of each student and may be taken home at the end of the year.

All students should make sure supplies are clearly marked or identified unless otherwise stated.

---
