

FERNDALE SCHOOL DISTRICT NO. 502  
BOARD POLICY

No. 1470

NEWS COVERAGE

It is the policy of the board to cooperate fully with the press and other representatives of news media in order that the public may be kept informed on all matters relating to the organization and operation of their public schools.

At meetings of the board, appropriate facilities will be provided to media representatives to aid them in taking notes and pictures. Copies of agendas will be provided in advance of meetings upon request.

It is also the policy of the board that all questions regarding the position of the board on matters of controversy will be referred to the president of the board or the superintendent.
