

FERNDAL SCHOOL DISTRICT NO. 502
BOARD POLICY

No. 1830

LIAISON WITH DIRECTORS' ASSOCIATION

As required by law, the members of the board are members of the Washington State School Directors' Association. Since the association establishes the rate of membership dues at its annual meeting, provides services in response to members' needs, and develops and implements a legislative program at the direction of its members, directors are encouraged to participate in the governance of the association.
