

Ferndale Band Boosters Scholarship

This scholarship is for higher education leading to a B.A. or B.S. degree or other certification at an institution acceptable to the scholarship committee. There will be two scholarships of \$1500 each awarded to the seniors of 2009.

The Ferndale Band Boosters Scholarship Committee will select the recipients from those applying according to the following:

1. Have a minimum of three years in the Ferndale Band program (one year must be senior year).
2. Show need.
3. Show an aptitude and ability to succeed at higher education.
4. Apply for this scholarship by April 1 of their senior year.
5. Complete the attached application for evaluation by the Ferndale Band Boosters Scholarship Committee.
6. Include a copy of their high school transcript and any other test scores that may include WPCT, ASVAB, SAT, and PSAT.
7. Submit three letters of recommendation; two from Ferndale High School staff and one from a member of his/her community (non-family).
8. Return this application when completed to the Ferndale High School Career Center, Room 612, no later than **2 p.m. on April 1, 2009**.

Scholarship proceeds are used for tuition only and will be presented to the institution attended by the recipient in equal installments.

For those working toward a four-year degree, \$500 will be available the fall term of their sophomore, junior, and senior years. The vocational student's scholarship will be available the beginning of the second term. Any unclaimed scholarship will revert back to the Ferndale Band Boosters Scholarship Fund.

Should you be awarded this scholarship, you will need to be aware of the process for accessing the funds for post secondary education. Following your first full year of course work you will need to submit an official copy of your freshman year transcript to the Ferndale Band Boosters at the address below. **DO NOT** send them to Ferndale High School. Once the transcript is received the booster treasurer will have a \$500 check sent directly to the institution the student is attending. This process may then be repeated twice more in consecutive years to complete the \$1500.
