

# SCHOLARSHIP GUIDELINES

When Fred G. Zahn passed away, he set up a scholarship fund under his Will and appointed Bank of America as Trustee. The guidelines which were set out in his Will for the trust fund are as follows:

The income from such fund shall be used for scholarships for *high school graduates from a school located within the state of Washington*, for either sex, without discrimination as to race, color, or creed, who by their effort, scholarship achievement, and character have evidenced their ability to benefit themselves and others by continuing their educational processes. The *financial need* for assistance in order to continue their educational processes shall be one of the major considerations for such an award. Scholarship awards may be made to students attending *any accredited college or university situated in the state of Washington*.

Each scholarship is in the amount of \$1,500.

The scholarship selection committee consists of representatives from three Washington universities. They have, in recent years, given preference to junior and senior college students who maintain a grade average of at least 3.75.

The selection committee will meet in late May and all applicants will be notified for their decision by mid-June.
