<p>Why? (Such as Why did this happen? Why did people feel the need to do this? Why did the results turn out the way they did?)</p>	
<p>How? (Such as How will this change laws/past ways of doing things? How will this be settled? How was the decision made?)</p>	
<p>Future Implications (What may happen next due to this event?)</p>	

Burning Questions I Thought of During my Reading (Think about: What questions were unanswered by the article? What implications could there be for the future? How might this change laws or policies? What questions do you have as you ponder the article...even if the questions are UNANSWERABLE.)
